

## REMARKS

Applicant thanks the Examiner for allowing claims 1-15 and issuing a Notice of Allowability.

Applicant has amended page 8, lines 12 and 24 in the specification. In line 12, “transmission power of an EDH data flow is controlled based on the reception” is amended to be “transmission power of an DCH data flow is controlled based on the reception”. In line 24, “The transmission power of the EDH data flow is controlled” is amended to be “The transmission power of the DCH data flow is controlled”.

Applicant has amended FIGS. 2 and 6 in the drawings. In FIGS. 2 and 6, “Radio Network Controller (RNC)” is amended to be “Radio Network Controller (RNC)”. Drawing sheets including FIGS. 1 and 3-5 have not been changed.

In addition, Applicant amends claim 4 to correct clerical errors as follows. In Claim 4, “selects a responsible (serving) base station for said mobile station from said first group so that said responsible base station receives said first data flow correctly,” is amended to be “selects a responsible base station for said mobile station from said first group so that said responsible base station receives said first data flow correctly,” and also in Claim 4, “and in response to required level of said first power offset from said responsible base station” is amended to be “and in response to a required level of said first power offset from said responsible base station, calculates said first power offset.”

Applicant respectfully requests that the amendments submitted herewith be entered to correct these clerical errors.

This amendment does not raise any new issues and does not affect the allowability of the claims.

In conclusion, the Applicant respectfully requests the Examiner to enter these amendments to the specification, claims and drawings. If the Examiner believes a telephone conference might expedite the entrance of this amendment, the Applicant respectfully requests that the Examiner call the undersigned, Applicant's attorney, at the telephone number listed below.

Respectfully submitted,
